Beijing platform for action report

Beijing platform for action progress report 2019.

Women and children constitute approximately 80% of the world, a million refugees and other displaced persons. Women and women are affected by many of the same health conditions as men, but experience them differently due to poverty and economic dependence, violence, negative attitudes, racial and other discrimination, Limited power over his sexual and reproductive life and lack of influence on decision-making. Discrimination in education and training, hiring and remuneration, promotions and practices of horizontal mobility, as well as inflexible working conditions, lack of access to productive resources and inadequate distribution of family responsibilities, along with the lack of achievements and problems since the approval of the Brussels Account Program in 1995; Updates of the 12 Breakfast of the PPA for the period 2009-2013; as well as emerging issues that inform the future selection process of the post-2015 development agenda and successors of the Millennium Development Goals. In 2019, the State has submitted the BPFA + 25 progress report including an evaluation of the Current challenges that affect the implementation of the agreements enshrined in the BPFA. A national committee was created, chaired by the Commission of the Juridical and Social Condition of Women, as well as groups of technical composed of government agencies and non-governmental organizations. About what we arend Where we are working on alliances News and events Digital Library C. Governments and the UN agreed to promote the incorporation of the perspective of GÁ © Nero as a strategy to ensure that the perspective of GÁ © Nero is reflected in all all and programs at the national, regional and international levels. For the Philippines, the Beijing Conference broadened the discussions on women's rights to include violence against women, women's leadership and political participation and economic concerns. It connected what were previously regarded as women's issues with other pressing concerns on the environment, human rights, population, and armed conflict. The Report was launched officially in August, 2019 as part of the 10th anniversary celebration of the passage of the Magna Carta of Women. Led by the Philippine Commission on Women, the State once again went through a participatory process in the development of the BPFA+25 Progress Report. Find statistics in the area in EIGE's Gender Statistics Database Beijing Platform for Action The Beijing Declaration and Platform for Action or BPA is a landmark document for advancing the rights of women and gender equality worldwide agreed during the 4th World Conference on women in 1995. Meetings, consultations and other related events/activities have been convened/held to facilitate the drafting and submission of the BPFA+20 Progress Report, in accordance with the Guidance Notes produced by the UN Women. The 12 Areas of Concern DOWNLOADS BPFA + 25 BPFA + 20 The country also adopted gender mainstreaming as the strategy to advance women's rights in the country. The country submitted its Philippine Progress Report on the Implementation of the Beijing Declaration and Platform of Action and the Outcomes of the 23rd Special Session of the General Assembly (2000) or BPFA+20 in 2015. Women and Armed Conflict Women are affected by armed conflict in a variety of ways: they are victims of gender-based violence, peace and reconstruction actors, and combatants or members of the armed forces, volunteers or not. It also highlighted major achievements on gender equality and empowerment of women and its contribution towards the full of the 2030 Agenda for Sustainable Development through a GENERO PERSPECTIVE. The international community came to consensus and agreed a general plan of commitments in support of the full development of women and its equality with man in 12 areas of concern: 1) Women and poverty; 2) Education and Formation of Women; 3) women and health; 4) violence against women; 5) women and armed conflicts; 6) the woman and the economy; 7) women in power and decision-making; 8) institutional mechanisms; 9) the human rights of women; 10) women and means of communication; 11) the woman and the environment; 12) NiA ± a. The BPFA affirmed the principles that would govern future measures and strategies in favor of women and firmly established a program to empower women by integrating concerns about it in national plans and policies. Human Rights of Women The Universal Declaration of Human Rights stipulates that human rights apply to all people alike, without any distinction of race, color, sex, language or any condition, but women and girls suffer with Frequency Discrimination in the assignment of economic and social resources, which directly violates your economic, social and cultural rights.
